### **Purpose**

The purpose of the NEFC Development Squads is to (facilitate the development of talented community players) , enabling them to reach their full potential within their local community club.

### **Selection**

- Players graded into the club's top division team in mixed from U8 to U12 and Female U9 to U12 will be invited to join the development squad. Please note that the "club's top division team" does not automatically mean "Division 1")
- This top division team play in the regular NWSF winter competition
- If all players from this team accept their place in the development squad, including the commitment and cost, they will train as one development squad
- In the instance where the whole team does not agree to participate in the development squad program, individual players can still take part in the program but may be combined with another team or age group. These places will be offered at the club's discretion.
